ROSENAU BROS.,

KINGS OF LOW PRICES. PROPRIETORS BEE HIVE.

A JUVENILE OPTIMIST.

My grand-dad says these modern days
Of steam an' 'lectric light
Beat anything that ever was—
An' grand-dad's mostly right.
But I can't help some doubtfulness
When into bed I climb
An' dream about those good old days
Of Once Upon a Time.

I've got to hustle on the farm
When I get big enough.
I wish I knew some fairy spell
To do the work that's rough.
I'd like to make the Brownies toil
By wario' some queer rhyme.
The same as them there wizards did
In Once Upon a Time.

I wish that polka's lamp
A Gull would answer.
So I could say, "Go, slave, an' feed
Them pigs an' milk the cows."
I'd make him wear the overalls
An' face the mud an' grime.
But this 't' all isn't what it was
In Once Upon a Time.

Yet, history repeats itself.
My grand-dad says, an' so
I keep on hopin' as I watch
The seasons come an' go.
That I may live to see 'em back—
The Brownies in their prime.
The wizards an' them other folks
Of Once Upon a Time.

WE MAKE IT A POINT

To have our best lines in all our departments come in the middle of August. In a few days many of our young friends will resume their studies—some at home, others in foreign educational institutions. It has always been our pride to send the boys well dressed. No matter what town or city they go to Hechinger's clothes wearers are the proper dressed youngsters. For this fall we made greater efforts than ever to supply ourselves, and consequently our stock with the noblest clothing that fashion subscribes. Our Fall Suits and Overcoats are the highest types of merchant tailoring art. Our stock represents the production of the acknowledged leading houses in the country. Our line of Shirts, Underwear, Hats, Ties, etc., is simply great. If the young miss needs a nice trunk we can supply you.

The results in our Shoe Department, though not a year old, are gratifying to us and fully as much to our shoe patrons. "The most comfortable pair of shoes I've worn for years" is the universal expression of those that wear them. Our \$2.50 and \$3.50 Smith & Stoughton French Calf Common Sense Shoes are the best in the market. Every pair we sell is made for us and warranted to give satisfaction. Money refunded if they don't. Our high-class Shoes, such as Vici Kid, Russian Calf, Patent Leather, Cordovan, etc., all of which are specially made for us by the Best-Factored people, Brockton, Mass., fill the long felt wants in Mayville's shoe trade. We are daily receiving our fall stock in these lines. If your summer shoes are about worn out and you think it late to buy lightweight shoes, we can fit you in the coming style of Fall Shoes. Respectfully,

HECHINGER & CO.

LEADERS IN FINE CLOTHING AND SHOES.

Black Goods Bargains

Crepons have all seasons for their own. These billowy blacks in their hundred colors are so intrinsically popular favor they are leaders among the autumn stuffs. But despite the fact we've clipped the prices of the Crepons now here until dress goods elegance was never so easily bought. Comparative prices follow:

75c. French All-wool Crepon 50c.

\$1.00 Mohair Stripe Crepon 75c.

\$1.35 Mohair Figure Crepon \$1.00.

\$1.50 Mohair Blister Crepon \$1.25.

\$1.75 Silk Etamine Crepon \$1.50.

\$2.25 Mourning Wear Crepon \$1.75.

Think of such a collection of a single fabric. Think of the broad smile of Fashion's favor that inspired such gathering. Think of the completeness of our stock when just one dress goods idea is so widely varied.

WILL THE PEOPLE SUBMIT?

Following are the net results of the infamous Goebel Election Commission: Democrats absolutely control the election system in every county in Kentucky. In 95 counties there are two Democratic and one Republican Election Commissioners; in 10 other counties there are two Democratic and one Republican Commissioner; and in the 11 remaining counties we have solidly Democratic Boards.

Republicans are in a helpless minority of one against two in 95 counties, and in 10 counties they are absolutely without representation on the Boards that are masters of the election machinery, pass upon all election contests and from whose most infamous decisions there is no appeal.

The Republican organizations were not permitted to select the few Republicans appointed, and it is notorious that the so-called Populists are merely all Democrats in disguise, having voted and acted with the Democratic party on every important occasion in recent years.

The mask of hypocrisy that was put on when Judge Fulton was elected a member of the State Election Commission has been thrown off, and the Goebel conspiracy is revealed in all its hideousness.

Has the Republican party been such an enemy to the state and Nation as to justify these outrages against law and decency to drive or keep it from power?

Is the supremacy of WILLIAM GOEBEL and his high-handed followers so important to the welfare of Kentucky as to condone this unspeakable rape of the ballot?

Will the people submit?

MR. PRESIDENT, why don't you select some of the "yaller journal" fellows to manage military affairs? Then LEXINGTON is quite sure they know just how it ought to be done.

THE Louisville Post says JEFFERSON made the Louisiana purchase, MONROE acquired Florida, POLK gave us Texas, New Mexico and California; and after JEFFERSON, MONROE and POLK were good enough Democrats for the average American, although they failed to come up to the standard set by BAILEY of Texas and those who oppose expansion because it is undemocratic.

A NEW Cabinet office is likely to grow out of the enlarged foreign policy of the United States. President McKinley will not formulate the organization of the new Department until the Peace Commission has determined the final disposition of the Philippines, but it is probable that he will recommend the creation of a Secretary for the Colonies, in accordance with the practice of leading European Governments having foreign dependencies.

In his sermon before the members of the Sovereign Grand Lodge, I. O. O. F., at St. Louis, the Rev. EDWARD EVERETT HALE said:

"We are now at the end of one of the greatest wars of the world in 100 days have set forth the civilization of the world 100 years."

These words will live long after the speaker and his hearers have passed away.

THE esteemed Lexington Argonaut has been unostentatious in its abuse of Secretary ALONZO and the Administration for permitting soldiers to remain in camps which were said to be unhealthy. And now that these very same soldiers are being removed from those very same camps, that paper raises a howl that the railroads have a "pull" on the Secretary of War because of the "burying of troops across the country." Verily, the Argonaut man would probably "kick" if he were to be hung.

More than twenty million free samples of Dr. Wirtz's Hissel Salve have been distributed by the manufacturers. What better proof of their confidence in its merits do you want? I cure piles, burns, scalds, sores, in the shortest space of time. Henry W. Hay, adjoining Postoffice.

SPAIN FAVORED.

The Parisians Have a Decided Leaning Toward the Spanish Peace Commissioners.

THE AMERICANS TREATED CIVILLY.

One Diplomat Prophesies That the Work Will Be Fullest if America Is Uncompromising.

The Suite of Rooms Which the Former Emperor at One Time Used Will Probably Be Acquired by the American Commission.

PARIS, Sept. 28.—While the reception accorded the United States peace commission here is all that could be desired, and while the French foreign office has taken great pains to treat the American and Spanish commissioners in precisely the same manner, it must be admitted that the general atmosphere of Paris, especially the diplomatic atmosphere, does not incline toward America.

It is the general impression here that the American commissioners have instructions to provide for the retention of Manila and the island of Luzon, "and for a commission to pretend to negotiate a farce," said a prominent diplomat. He continued:

"America will put herself, diplomatically, in the wrong when she exceeds the provisions of the protocol, which both nations signed. I know the Spaniards have come prepared to make concessions, but, if the American instructions are of an uncompromising nature, which is generally believed here to be the case, you can rest assured that the work of the commission will be futile. The Spaniards will retire and America will at least have to threaten a resumption of hostilities before she will gain her point."

The French newspapers, beyond announcing the arrival of the commissioners, make no comment upon the matter.

The American peace commission, for the first time since its appointment, met as a body Tuesday for two hours in the drawing room of the Continental hotel.

Mr. Ferdinand W. Peck, the United States commissioner to the Paris exposition of 1904, is about to vacate his quarters in the same hotel. They were formerly occupied by the ex-Emperor Eugene and have been used by Mr. Peck as offices until his permanent offices on the exposition grounds were in readiness.

The suite of rooms which the former emperor at one time used will probably be acquired by the American peace commissioners. They will be used for executive sessions and official headquarters.

As the joint commission is not a deliberative body, it will, possibly, not organize with a presiding member from either commission.

This is deemed in some quarters to be the wiser plan, as tending to promote closer working relations between the two commissions and facilitating an ultimate adjustment. This however, is not positive.

Judge Day and Mr. Whitelaw Reid are quartered at a hotel overlooking the quaterly gardens and the other commissioners are equally comfortable.

The Americans enjoyed sunny weather during their first day in Paris and they are all in good health and spirits.

System of Civil Government Established in Santiago de Cuba by Gen. Wood.

IT IS NEW IN GOOD WORKING ORDER.

Maj. McCleary, the Former Attorney General of Texas, Has Been Appointed Mayor of the City.

The Spanish Officials Are Giving Place to Cubans—Lieut. Blount Has Been Appointed to Codify the Cuban Laws.

SANTIAGO DE CUBA, Sept. 28.—The system of civil government established by Gen. Wood is practically complete and in good working order. Maj. McCleary, former attorney general of Texas and a Spanish scholar, has been appointed mayor, and the Spanish officials are giving place to Cubans. Gen. Wood says he does not know the capabilities of the men taking office. They are chosen by a committee of 50 prominent Cubans, whom he believes to be honest and conscientious.

This committee recommends men whom its members think would be efficient in the various offices to be filled. The choice of men by the committee must be unanimous and must be made after the signatures of the entire 50 members. Gen. Wood finds that the plan works admirably. Lieut. Blount has been appointed to codify the Cuban laws.

Sen. Rigney, one of the largest sugar planters in Cuba, who has arrived here from Manzanillo, reports the conditions there worse than ever. The insurgents, he asserts, refuse to grant permission for the carrying on of work on the plantations, and the Spanish officials decline to furnish protection to those desiring work. Sen. Rigney declares that since the cessation of hostilities the insurgents have confiscated his provisions and destroyed a number of valuable pictures, made his carpets into saddle cloths, and have stripped curtains and broke glasses worth \$200 each. They are encamped in numbers at the sea town of Campeche, where they compel small vessels which fall into their hands to host the Cuban flag.

Gen. Wood has leased the residence formerly occupied by the late British Consul Frederick W. Ramsden and his family, one mile from the city.

What archieves the Spaniards left have been removed to Gen. Wood's offices in the palace. The transport Mevaska will leave shortly with ordnance for Porto Rico.

The Cubans earnestly request Gen. Wood to send to Manzanillo food and clothing. They declare there is much suffering there, but privately received by Gen. Wood deny absolutely the stories of destitution and declare that the Cubans will not work and he has, therefore, refused to send the supplies asked for.

William Stakeham, before the war American consul at Manzanillo, arrived here Tuesday and paid a visit to Gen. Wood. He received many less acts on the part of the insurgents, who, he declares, demand tribute from every one, terrorize peaceful people and threaten the confiscation of the property of merchants and planters.

Many persons say that the recognition of the Cubans has not been granted because the bandits make work and progress impossible. There is a general feeling of alarm in Manzanillo over the departure of the Spanish troops and the American soldiers are anxiously awaited.

"GRIFFO" RUNS AMUCK.

He Is Strapped in a Straight Jacket in Chicago Feeding an Examination Into His Mental Condition.

CHICAGO, Sept. 28.—Albert Griffith, better known as "Young Griffo," the pugilist, is strapped in a straight jacket at the Harrison street police station, where he is being held pending an examination into his mental condition.

Griffiths run amuck Tuesday evening on State street and from Congress street to Hubbard court he left a trail marked by bruised faces. Three policemen who arrested the pugilist were sent sprawling to the ground by a series of blows and reinforcements were necessary before the prisoner was finally taken to a patrol box. Before Griffiths was tied in the patrol wagon he had taken off every article of clothing which he wore. Griffiths was drinking in a saloon, when he suddenly leaped into the air, turned loose a series of yells and rushed into the street where he hit everybody he could reach.

Restoration of Gen. Graham. WASHINGTON, Sept. 28.—Maj. Gen. William M. Graham, United States volunteer, commanding the 3d army corps, commanding the troops encamped at Middletown, Pa., will go on the retired list of the regular army with the rank of brigadier general Wednesday by operation of law on account of age. He will continue in his present command regardless of this fact, however, at least until the abandonment of Camp Meade on account of cold weather.

COL. ROOSEVELT.

The Commander of the Rough Riders Nominated for Governor of New York.

THE VOTE, ROOSEVELT, 133; BLACK, 218.

On Motion of Gov. Black's Friends the Nomination of Col. Roosevelt Was Made Unanimous.

Timothy L. Woodruff Was Reappointed for Lieutenant Governor—John T. McDonough Received the Nomination for Secretary.

SARATOGA, N.Y., Sept. 28.—The state republican convention was called to order at 12:30.

The gallery of the convention hall was well filled 15 minutes before the time for the delegates to meet. The Stars and Stripes fell in graceful festoons from the rail. On the stage the chief decoration was an immense bouquet of flowers which had been placed in front of the presiding officer's desk. The hall filled up fast at noon. The band played briskly. Applause in the gallery greeted the "Star Spangled Banner" and other patriotic airs. It was evidently a more than usually patriotic gathering.

Interest in the convention proceedings was shown as much by the crush at the press tables as any other manifestations. Usually there are many

LIEUT. COL. THEODORE ROOSEVELT.

vacant seats in the Saratoga convention hall. Tuesday all the seats were taken.

At 10 o'clock sharp a picture of Col. Roosevelt in his Karis uniform was brought down the aisle, and the bands struck up "Hail, the Conquering Hero Comes."

The portrait was raised above the section where the Greater New York delegates sat. The audience rose and cheered and innumerable American flags were waved.

Congressman Seno E. Payne, temporary chairman, was introduced at 10:45. In his opening paragraphs he referred to William McKinley as a warrior and statesman, and the roar of applause was deafening.

At 1:25 the convention took a recess till 2:30.

The convention reconvened at 4:00 p. m.

At 4:30 p. m. J. Rider Cady, of Hudson, took the platform to nominate Gov. Black.

Mr. Chauncey M. Depew took the platform at 4:55 to place in nomination Col. Theodore Roosevelt.

At 5:15 p. m. Secretary of State Palmer moved a roll call and the motion was adopted.

Before it got through the New York delegation it was evident that Mr. Roosevelt had a practical walk-over and at 9:50 enough votes had been cast to nominate him.

At 7:41 the roll call was completed and the vote was announced as follows: Roosevelt, 133; Black, 218.

Then the auditors and the delegates rose in a great mass and cheered. Judge Cady got the floor and moved the unanimous nomination. While the question was pending, Senator Kram, who had supported Gov. Black, said: "On behalf of Gov. Black and his friends, I say that they will stand by Theodore Roosevelt as he stood by the country."

The nomination was made unanimous, and at 7:46 the convention stood in recess until 9 o'clock.

The convention reassembled at 9:00 o'clock and speedily made the following nominations:

For Lieutenant Governor—Timothy L. Woodruff, reappointed.

For Secretary—John T. McDonough.

Secretary of State—John T. McDonough.

Attorney General—John C. Davies.

State Engineer—Edward A. Bond.

All but Davies were nominated by acclamation.

The following committee was appointed to be an advisory board for the state committee:

Thomas C. Platt, Chauncey M. Depew, Frank H. Wood, Edward L. Lantieri, and Frank S. Witherby.

The old eagle emblem was readopted for the party and the convention adjourned sine die.

The platform congratulates the country on the conclusion of the war with Spain, endorses the patriotic wisdom of the president in the conduct of the war, and the army and navy upon the splendid victories of the war.

Commends the annexation of the Hawaiian Islands and renews its allegiance to the doctrines of the St. Louis platform, and condemns and repudiates the democratic policies declared at Chicago. American products should be carried in American ships. The administration of Gov. Black is commended.
